Kingswood Music & Art Program

Do you like music & art and want to try both in the school holidays?

The music and art school holiday program has been developed in conjunction with Nordoff Robbins Music Therapy. The aim of the session is to introduce participants to the world of music and art, whilst allowing them to stimulate their skills associated with fine motor, rhythm, concentration and coordination.

WHAT DOES THIS PROGRAM INVOLVE?

- Develop introductory skills associated with music and art
- Explore a variety of basic music and art techniques
- Do some fun activities to put new skills into action

WHO IS THIS PROGRAM FOR?

- School-aged children looking to develop their skills surrounding music and art
- Children looking to explore the world of leisure and recreation, outside of sport.
- Children wanting to develop social, music and art skills
