

PEACE EGG STILL POPULAR

Our PEACE EGG drive has just completed its 16th year and this year will raise approximately \$20,000, taking the overall tally raised over the years to \$244,000.

Mater Dei would like to thank everyone involved, especially Caroline Bambagiotti and Neris Taylor and the parents, carers and friends who prepared and delivered the PEACE EGG for sale. This wonderful initiative is made possible thanks to the generous support our volunteers, customers (including many schools and local businesses), and Chocolatier Australia, Mark Harrop from A.W.Hollier and Tony Wolf & Son Quality Printers.
