

# STUDENT LEADERS 2016

The aim of Mater Dei's Student Leadership Program is to create opportunities for students to become active role models within our school and the wider community. By developing their leadership and communication skills, students also build confidence. Our student leaders wear their badges with pride as they strive to uphold and demonstrate the Mater Dei way of being kind, respectful and safe in all situations.

Mater Dei's new School Captains for 2016 – Paige McCue-Shore and Victor Fineangonofu – were elected at the end of 2015 by their peers and Mater Dei staff. They have significant roles to play in our school assemblies and liturgies as well as community events such as the Mater Dei Golf Day and Foundation Dinner. They are fantastic ambassadors for our school and the other students look to them for guidance, friendship and leadership.

Our 2016 senior House Captains are Christopher V (blue), Sophie Mussett (yellow), Adriana G (red) and James Tabone (green). They have important roles in our school Swimming and Athletics Carnivals and weekly sport timetable.

Our new Primary Student Representative Councillors – Etienne Petersen, Jye Cooper, Nathan Donoghue and Zachery Leone – are important role models in the younger school. Their opportunities and responsibilities include raising and lowering our school flags each week, and significant roles in school assemblies, liturgies and community events such as selling PEACE EGGS.
