

# STUDENT LEADERS

Jade di Girolamo and Michael Backhouse were elected as our new School Captains at the end of 2016 by their peers and our staff. They both have significant roles to play in our school assemblies and liturgies as well as other community events such as the Mater Dei Golf Day and Foundation Dinner. They will be fantastic ambassadors for our school and the other students will look to them for guidance, friendship and leadership.

Our 2017 House Captains have significant roles to play in our school swimming and athletics carnivals and weekly sport timetable. Congratulations to: Brad Coomber (blue), Ethan Campbell (yellow), Joseph Gurnett-Attard (red) and Erik Sinclair (green).

Our new Primary Student Representative Councillors; Mischa Castaneda-Abalos, Saul Castaneda-Abalos, Breeana Bruin and Jack Conroy are important role models within the younger school and as such are afforded opportunities and responsibilities in daily routines and significant roles in our school assemblies and liturgies.

Congratulations to all our 2017 student leaders.
