

A FOND FAREWELL FROM OUR EDITOR...

I am delighted to be embarking on a new and exciting role that has come at a time that is right for me both professionally and personally. I have thoroughly loved the past 17 years of my life at Mater Dei and feel blessed and thankful for the many opportunities that have been offered to me to be involved in Mater Dei's extended family, for the friends that I have made and for the many heroes that I have met along the way.

I would also like to take this opportunity to acknowledge and thank my awesome daughters, Madeleine and Eliza, who have provided constant support, love and care to me during this time, and have been very patient with my third 'child' called Mater Dei!

I will remain a loyal supporter of the work that happens here daily by each and every member of our passionate and talented staff and carry with me an ongoing admiration for our quietly determined beautiful children and young people, our parents and carers who love unconditionally, our visionary Good Samaritan Sisters, and our many generous and kind supporters and volunteers.

This special place will always have a special place in my heart.

Peace and blessings. Debbie
