

MATER DEI

SPONSORSHIP PACKAGE 2024

Friday, 8 March 2024 6:00am – 3:00pm
Camden Lakeside, 50 Raby Rd,
Gledswood Hills NSW 2557

In 2024 Mater Dei will hold its 30th annual Charity Golf Day which is a highlight in our fundraising calendar and an event not to be missed.

The Golf Day each year significantly raises money to provide resources, contemporary programs and life-changing opportunities for the children, students and young adults at Mater Dei.

We are calling for your support. The support of the leading Macarthur motor dealers since 1993 has been integral to the success of the Charity Golf Day, as has been the ongoing support of the Campbelltown Catholic Club and the Camden Police Area Command.

Previous Golf Days have been wonderfully successful and have enabled Mater Dei to become a Centre of Excellence in the education and support of children, students and young adults with an intellectual disability. Mater Dei prides itself on its innovative programs that are informed by Research and Evidence-based best practice. We believe that our children and young adults deserve the best possible opportunities in life, and this is why in recent years the post-school NextPath Continuous Learning Program was developed to complement the Mater Dei School, Early Childhood Education, and Assessment & Therapy programs. This was only possible through the incredible support of you and others like you.

To assist with our planning for the day the Committee would greatly appreciate you completing and returning the enclosed form by Monday, 15 January 2024 to secure your team for the day.

I wish to thank you for your support and for your contribution to supporting Mater Dei with its life changing initiatives. Together we are able to make a huge impact and we look to the future with confidence.

I invite you to consider one of the sponsorship packages enclosed.

Yours sincerely,

Matthew Cleary
CEO

Committee Members

Roger Cubitt, Neil Williamson, Leigh Furnari, Kurt Kordovolos, Scott Martyn, Ben Shortridge, Chantelle Di Federico, Michael Olek, Sarah Ryan and Paul Burgess
